SUNDAY

Brian Halliwell: 1st Speaker 10.30am
A Prolific Researcher, Artist & Engineer.
Stranger than Science Fiction & an amazing true story. In the months before a terrible tragedy. The inhabitants of a small American town had been haunted by Mysterious Beings, noises, manifestations & eerie lights travelling over the town. Then- 'The Mothman came!'
 Brian's Presentation –
'The Mothman Prophecies'-

Marcus Allen: Nexus Magazine/UK/ Head Office
 The Apollo Moon Landings are regarded as one of the defining events of the 20th Century, But 35 yrs after the event an increasing number of doubts have arisen & questions, which have not been adequately answered. . Marcus will show some of the official photographs which have not, could not have been taken on the Lunar surface, despite NASA insisting they were After 12 years of research he has yet to be challenged in his conclusion that there has been some serious manipulation of the Apollo record & this despite his many TV appearances & radio interviews. *'Apollo Moon Landings Fact or fiction!'*

Ellis Taylor.
Author of 2 Books and Researcher.
 Psychic, Dream traveller & Experiencer.
 Ellis will talk about his life-long supernatural experiences and communications with *Other Worlds*. This fully illustrated presentation includes photographs, personal drawings and Testimonies from some of the people who have shared his world. Author of *"Living in the Matrix"* And *"In these Signs We Conquer"*, Which will be published in June 2006.

Brian J.Allan: Scotland
Scottish Researcher & Author & with a new book out 'The View from the Abyss' .In this Illustrated Presentation are the results of his ongoing quest to Unlock the secrets of the enigmatic medieval building that is Rosslyn Chapel. During the course of the presentation Brian will recreate sounds & frequencies that he believes are the KEY to the puzzle & will explain his theories concerning their amazing purpose. Not to be missed! –
'The Secret of Rosslyn Chapel'

STAN & RON CONWAY,
 Both have been members of BUFORA for many years. They both have academic backgrounds in Engineer computer science respectively. Much of the study of UFOs leads to an elaborate use of science, which is tooled to prime understanding of *'All The Impossible'*. The talk will include the development of new discoveries in science & engineering which could provide a forward-way for us
"TO GOT TO THE STARS!"

John Pickering: Author/ Cartoonist/ Researcher.
Be prepared for something totally different!
John & Katie present their amazing photographs of An incredible phenomena and tell of the unique encounters over the past four years with orbs and Light Beings,
Which led them to write their forthcoming book;
 By Katie Hall & John Pickering.
"Beyond Photography."

Clint Denyer:
Clint is a qualified Parapsychologist and Psychic Shamanic Practitioner,
With a diploma in Remote Viewing
His talk will link together our present paranormal world and the teaching of Ancient Civilizations and goes into the realities of the Hollow Earth with its connection to the Bermuda Triangle etc
Today's Presentation:
'The Soul of the Paranormal & the Hollow Earth'
'Fascinating Talk!'

Bagoll- Born in Barbados
 Bagoll is a Mystical Earth Poet, Playwright & Dream Traveller & has served in the British Army. Bagoll has always walked with one foot over the precipice & the other barely tipping the edge. Influenced by his visions & interactions with spirits & beings he didn't understand. At home in the swirling mists of Albion He intends to take the audience on a special journey to a forgotten place they once knew. To read or to Listen to his work is to Feast in Life's Rich Tapestry. His work has been much performed as solo pieces as part of cultural festivals worldwide. A *Presentation not to be missed!*
